RE: Celsius Network LLC  
No. 22-10964

Chief Judge Martin Glenn  
US Bankruptcy Court  
Southern District of NY

Dear Judge, I have 22.43053 Bitcoin  
and 171.934290 Ether frozen in Celsius  
in there earn account.

I think that Celsius should  
be sold or liquidated. They clearly  
mismanaged my funds with poor risk management  
and poor selection of investments. At the very  
least the management should be replaced.

My limited knowledge of companies  
using Chapter 11 to rebuild themselves  
include airlines and car companies.  
There are many other crypto exchanges  
so they are not needed. Also we  
all were fooled by their false claims  
about the safety of our funds. We  
were a fool once why would anyone  
give these liars more money. There  
trust as an exchange - is gone.

Celsius Network

So I would  
have the company bought out  
or liquidated.

Sincerely

Bradley Meckler
